The legend of the blue sea collection

## VALERIAN ECLIPSIA

The legend of the blue sea collection

This collection, bearing the name chosen by the King of Norway, celebrates a profound story linked to the mysteries of the sea and Atlantis, embodying a legendary elegance that transcends the enigmas of oceanic depths.

### AURORA GOLD ECLIPSIA

A resplendent gold watch capturing the shimmer of the Northern Lights with its iridescent dial, symbolizing the harmony between light and darkness .
